

STONEWALL FARM'S mission is to connect people to the land and to the role of agriculture in their lives. We are the only working dairy farm and education center in the region open to the public. We operate a 30 head certified organic dairy, a year round community supported agriculture (CSA) garden, and a Learning Center that draws 20,000 visitors per year.

The facility is used for education programs for schools and the public, children's camps, conferences and workshops, and is available to rent for special events. Visitors are welcome to visit trails and the barn anytime. Programs, Learning Center hours, the farm stand and CSA change seasonally. Please contact us for details.

For more information on the farm please visit our website www.stonewallfarm.org or call 603-357-7278.
