

Birthday Themes

Planning your child's birthday at Stonewall Farm is a piece of cake! Three different themes are offered. Each include a two hour rental of our program room and a 45 minute educational program.

Fabulous Farm Animal Party!

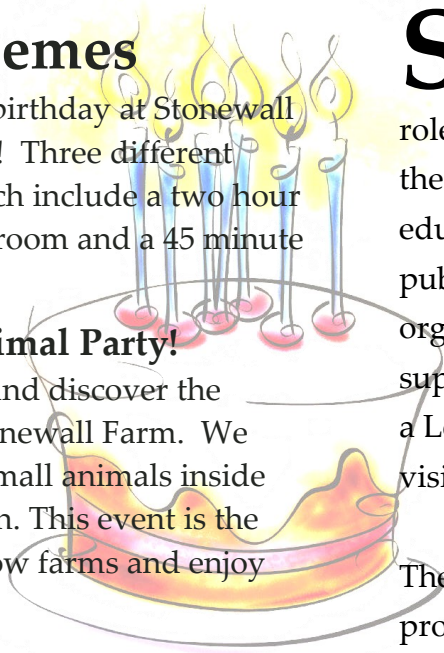

Party goers will meet and discover the animals that live at Stonewall Farm. We will bring one of our small animals inside for up close exploration. This event is the great way to get to know farms and enjoy our special friends.

COWabungas Party!

Celebrate your child's birthday by meeting our award-winning dairy cows. We will begin the event with a short trek to the dairy barns to meet our cows, heifers and calves, and tour the milk room. Then experience milking by hand!

Outdoor Adventure Party!

We'll take you for a hike or snowshoe into our 130 acres of conservation land and explore our valuable ecosystems, wetlands, forest, streams, and pastures. We will investigate native plants, and search for wildlife.

STONEWALL FARM'S mission is to connect people to the land and to the role of agriculture in their lives. We are the only working dairy farm and education center in the region open to the public. We operate a 30 head certified organic dairy, a year round community supported agriculture (CSA) garden, and a Learning Center that draws 20,000 visitors per year.

The facility is used for education programs for schools and the public, children's camps, conferences and workshops, and is available to rent for special events. Visitors are welcome to visit trails and the barn anytime. Programs, Learning Center hours, the farm stand and CSA change seasonally. Please contact us for details.

For more information on the farm please visit our website www.stonewallfarm.org or call 603-357-7278.
